THE LINDALE INDEPENDENT SCHOOL DISTRICT
EDUCATING EVERY CHILD EVERY DAY

January 9, 2017
For Immediate Release

LINDALE ISD SCHOOL BOARD RECOGNITION MONTH

January is School Board Recognition Month and Lindale ISD will join other districts across the state to thank our local leaders for their dedication and willingness to serve as advocates for our children and public schools. As elected officials, they are the voice of our Lindale community, serving first and foremost in the best interest of Texas schoolchildren.

“Even though we are making a special effort in January to show appreciation to our board members, we realize their many contributions are a reflection of a year-round commitment. Here at Lindale ISD, our school board members generously give of themselves to ensure that decisions directly affecting all of our campuses are made by representatives of this community, people who are close to our schools and know our teachers, parents, and students,” said Lindale ISD Superintendent Stan Surratt.

It’s more important than ever before that the public supports our schools so that today’s students are prepared to be productive citizens and the leaders of tomorrow. Lindale ISD board members provide vision and leadership in their roles as advocates, and they will continue to stand up for public education.

Under the Lindale ISD School Board’s leadership for the 2016-2017 school year, the district and each campus has achieved the highest possible rating of Met Standard from the Texas Education Agency.
