**LINDALE INDEPENDENT SCHOOL DISTRICT WINS
DISTRICT CHAMPIONSHIP IN UIL ACADEMICS AT EVERY LEVEL**

All of Lindale ISD's competing campuses, 6th-12th grade, have been named the 2018 District Champions in UIL Academics. Lindale is the smallest to compete in the district and the smallest high school in the 5-A division. The high school contests were held over two days with 22 academic events. Lindale High School came back with multiple team awards and 44 individual and team awards.

"I am so proud of my journalism team," said Lindale High School journalism teacher, Neda Morrow. "Of the 12 available slots to regionals, my students got 7 of them. Each member of the team won a medal and four are now regional qualifiers. They have worked non-stop since October to improve their writing. They have given up their Saturdays and stayed after school many times. They take competition very seriously, and I am elated that their hard work paid off at district. I am especially fond of this particular group of competitors because they are excellent examples of the best of our country's young people. They are positive, they are hard-working and they completely support each other. I am proud and blessed to be their coach."

Lindale ISD's UIL Academic teams will now advance to Regionals. They are hoping to gain enough points to compete at State and come home as the UIL Academic State Champions for the second year in a row.

"Our students, year after year, just amaze us with their great success," said Lindale ISD Superintendent, Stan Surratt. "To win the District Championship in UIL Academics is a wonderful accomplishment. Lindale ISD is known for its great academics and this 5-A District Championship just strengthens that reputation. Lindale High School won the 2017 State Championship in UIL Academics and hopefully we can successfully defend that this year. I am extremely proud of our Eagles."

RESULTS FOR DISTRICT:

6TH NUMBER SENSE – RONAK DESAI

6TH MATH – ANDRE SAMARAWEERA

2ND CURRENT EVENTS TEAM (TIE)

3RD CURRENT EVENTS – EVAN BEWERSDORF –REGIONAL QUALIFIER–

1ST COMPUTER APPLICATIONS – ZACH JONES –REGIONAL QUALIFIER–

2ND COMPUTER APPLICATIONS – TYLER MEADOR –REGIONAL QUALIFIER–

6TH COMPUTER APPLICATIONS – MORGAN GIBSON

2ND COMPUTER SCIENCE TEAM –REGIONAL QUALIFIER–

2ND COMPUTER SCIENCE – TYLER RUSSELL –REGIONAL QUALIFIER–

3RD COMPUTER SCIENCE – TYLER MEADOR –REGIONAL QUALIFIER–
