**3RD GRADER AT LINDALE ISD DONATES BIRTHDAY MONEY FOR CHILDREN IN
NEED**

A third grader at College Street Elementary donated all of his birthday money, which was \$190, to the Feathers for Friends Campaign. That campaign is raising money for the Lindale Christmas Helpers, which is a local attempt to help Lindale school children have Christmas who otherwise would not.

“I wanted to donate my birthday money because I thought of families who wouldn’t have a Christmas,” said Lindale ISD student, Colton Jones. “I just wanted them to be able to experience the joy of Christmas.”

College Street Elementary will present the money raised to the Lindale Christmas Helpers on Friday, November 17. So far, students have donated more than \$800.
